## THE GAME

BONUS SPINNER is a video slot game, controlled by random numbers with five rotating reels and 10 possible pay lines. Each of the 5 reels is marked with symbols and each time a play is made, the five reels stop at random. In the play window a selection of a total of 15 symbols is then shown (3 symbols per reel). The amount you win depends on certain symbol combinations and the amount you bid.

Can be played either with the mechanical buttons or with the buttons on the touch screen (if available), or a combination of both.

## GAME RULES

- All line pay symbols must appear on a played line and on consecutive reels, beginning with the far left reel.
- Only the highest line win is paid on each line played.
- Line wins are multiplied by the number of credits bet on the winning line.
- Scatter wins are awarded for symbols appearing in any position on the reels for any number of lines played.
- WILD substitutes for all symbols except the SCATTER and the DOLLAR Symbol.
