THE GAME

HOT DICE 27 is a video slot game, controlled by random numbers with three rotating reels and 27 possible pay lines. Each of the 3 reels is marked with symbols and each time a play is made, the three reels stop at random. In the play window a selection of a total of 9 symbols is then shown (3 symbols per reel). The amount you win depends on certain symbol combinations and the amount you bid.

Can be played either with the mechanical buttons or with the buttons on the touch screen (if available), or a combination of both.

GAME RULES

- All prizes are for combinations of a kind.
- All line pay symbols must appear on a played line and on consecutive reels, beginning with the far left reel.
- Wins on different win lines are added.
- SCATTER wins are awarded for symbols appearing in any position on the reels.

CASH UNLIMITED

- During every spin of the reels a new win in the clock panel will be displayed.
- When a win line contains three clock symbols, the value displayed in the clock is won.
- Prize can be between x40 - x100 times the total bet.

SCATTER

- SCATTER wins are awarded for symbols appearing in any position on the reels for any number of played lines.
- 3 SCATTER in any position on the reels trigger between
- 1 to 6 DICE GAMES.
