GAME RULES

- All line pay symbols must appear on a played line and on consecutive reels, beginning with the far left reel.
- Only the highest line win is paid on each line played.
- Line wins are multiplied by the number of credits bet on the winning line.
- Scatter wins are awarded for symbols appearing in any position on the reels for any number of played lines. Only the highest scatter win is paid each game.
- Scattered wins are added to pay line wins.
- SCATTER symbol is also WILD Symbol and substitutes for all symbols except the special expanding symbol during the Free Games.

SCATTER-WILD

- The WINDOW symbol is a Scatter and Wild symbol at the same time.
- This means that it does not need to appear on an enabled pay line to win and it substitutes for any other symbol to complete winning combinations.
 - It can be scattered anywhere on the five reels, provided that three or more WINDOW symbols appear.

FREE SPINS

- 3 or more WINDOW Symbols anywhere on the reels award 10 free spins.
- One special expanding symbol is randomly selected at the start of the free games.
- During free games the special symbol expands to cover 3 positions on the reel and pays in any position on all lines played.
- Free games are played at the triggering number of lines and bet.
- The SCATTER symbol does not substitute for special expanding symbol.
- Each time the Free Spins are retriggered one additional special expanding symbol will be chosen by random. Up to 9 special expanding symbols can be chosen.

During free games the special symbol expands to cover 3 positions on the reel and pays in any position on all lines played.
